

New lady's shaver: **Flicker** Designed to cut hair...not skin.

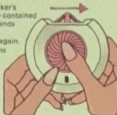

Finally, a lady's shaver designed to do what you always wanted it to... cut hair, not skin.

Flicker's stainless steel blades are specially protected so they just glide over the top of your skin without cutting it.

Thanks to Flicker's exclusive self-contained design, your hands never have to touch blades again. Flicker contains 5 blades.

Flicker lets you shave your legs close and smooth. And it's designed to make shaving underarms and all those hard-to-reach places easier and safer.
